

A Modern Love Story

@Fannyfabulous -

Will you be a fan-a-me?

(Sorry – sounded so
much better in my
head...)

I have 1289 followers on Twitter. I can improve UR
algorithms OFC.

I will like all UR photos on Insta.

(I have 401 followers
on there).

I'll make TikTok videos dedicated 2 you. People will be like
OMG LMAO but

I won't care.

You know, I read poems on *YouTube* too. Why don't you
subscribe?

(SPOILER: some of
them are about U).

Let's link our socials, Fanny. Let's put 'in a relationship' on
Facebook.

(Does anyone still
use it?)

Let's tag each other in photos and comments.

Let's get synced online. People will totally ship us but IRL.

Fanny, dear Fanny, are you signed up 2 *Tinder*?

We can delete our profiles together.

Let's swipe right

in person.

Pls @ me soon. My DMs are always open for U.
